

A close-up photograph of a newborn baby's feet and hands. The baby's feet are positioned in the lower left, with toes visible. The baby's hands are at the top left, with fingers curled. A woman's hands are gently holding the baby's feet and hands. The woman's nails are painted a light pink color, and she is wearing a gold ring on her left ring finger. The background is a soft, out-of-focus grey.
